Wesley United Methodist Church

Approximately 45 people, including many of our doctors and nurse practitioners, gathered at Byerly Park on the T.B. Thomas side to walk in honor of the volunteers that serve at the Free Medical Clinic of Darlington County. Caroline and Bennett Surette performed on the violin and guitar for the walkers and then we set out for the 3.12 mile walk around the Park. Guests and staff from Morningside of Hartsville joined the fun by riding in our 3 golf carts during the walk. We all enjoyed our 2 four-legged friends that joined us for the day as well!

Each walker received a Walk t-shirt with a sponsor's bag of donated gifts, bottled water, and refreshments. Paddle signs were provided for the walkers to carry after writing their favorite volunteers' names on them to honor their service. The proceeds totaled \$4,700 to benefit the patients of the Free Medical Clinic of Darlington County.

Many thanks to our community for coming out and supporting the Free Medical Clinic this way. I'd also like to thank volunteers Sue and Raeva Bali, Dick Coker, Joe Bittle, Frances Britt, John Hultgren, Christopher Woodham, and City of Hartsville police for helping with setup, registration and take down.

Please pass the word to anyone you might know that is having difficulty seeing a doctor and purchasing their life sustaining medications so we can see if we can help. God bless you all.

Kathy Baxley, Executive Director  
Free Medical Clinic of Darlington County
