

Dear Friend of the Darlington County Free Medical Clinic:

We would like to invite you to be a part of **Super Follies 2018** – an exciting evening complete with a delicious dinner, Talent Show, and both Silent and Live Auctions! This annual event is sponsored by the Clinic to raise funds and awareness for this ministry as we honor the volunteers who make it all possible.

The date is **Saturday, September 29, 2018**, at Trinity United Methodist Church, 126 Pearl Street, Darlington, SC. Guests are asked to arrive at 6:00 pm to enjoy a buffet dinner. The Talent Show and Auctions will take place during and after dinner.

Our special guest is **Danny Nicholson**, a Hartsville native and President of the Connie Maxwell Home. He will be sharing his music and testimony with us.

Last year’s proceeds totaled more than \$8,600, thank to our 24 Table Sponsors, 184 door prize items from 69 donors, and 177 individual ticket sales!

Did you know that since opening in 2000, 5,150 people have been treated by our volunteer medical providers? This has helped to alleviate the burden in local emergency rooms and supported the families in our community by keeping them healthy and productive. For the first 6 months of this year, 42 new patients have received medical care at both sites; a 19% increase from last year! We have also added patient specialty services support and nutrition services through your wonderful donations.

How can you help? Please consider one of the following:

- Buy one or more individual tickets for \$40 each.
- Sponsor a table for 8 people for \$300. If you sponsor a table, your name or business name and logo will be on a table tent and listed in the program as well as in our press release.
- Please fill in the form and mail your payment to the Free Medical Clinic of Darlington County, 203 Grove Street, Darlington, SC 29532.
- Make your check out to “Free Medical Clinic of Darlington County.”
- Look at other ways you can support this worthy cause and let us know by sending us the form below. Someone will be in touch with you!

The Free Medical Clinic of Darlington County is an interdenominational Christian Ministry. We provide free primary care, medications, and pastoral support to the residents of Darlington County who do not have health insurance and do not qualify for government health programs. It is the intention of the volunteer medical staff to assist our neighbors who are making a sincere effort to help themselves and their families. We are committed to honoring the God-given dignity and value of all people, regardless of race, nationality, or creed.
